Persons to be heard – Peter Gorman gave a copy of the Visitor Industry Plan and told us the highlights of the plan

Old Business

Centennial – Trees and mulch were shipped on the 2nd of March. Will heal trees over in the mulch as needed. Schedule planting tentatively as 24 March. Shawn will let us know if he needs help. Lynne will release a PSA asking for volunteers.

Topsoil – Todd Miller's contract with the city has expired. Need 70 yards for Ehrler St and 800 yards for the ballfield. Lynne will talk to Scott about this issue.

Lake and Lincoln – We got the funding for the landscaping plan. Lynne will put out a RFP.

RTRP – will set a date for mailing at the next meeting.

New Business

Class at UAS – Julie will teach an adult ed class at UAS on tree care, with 3 hours of lecture and a planting workshop, in conjunction with Arbor Day. Arbor day in Alaska is May 25th.

Shawn told us about the Forestry Institute training he attended.
