

OUTDOOR RECREATION SURVEY 2010

Your input on a survey is needed for the Sustainable Outdoor Recreation and Tourism Action Plan for the Sitka area, including all of Baranof, Chichagof and Kruzof Islands. The plan is being developed in collaboration with the public by a Steering Committee whose members include representatives from the public, outdoor recreation businesses, outdoor recreation tourism organizations and local agencies including Sitka Trail Works, Alaska State Parks, US Forest Service, City and Borough of Sitka, National Park Service, Sitka Conservation Society, Sitka Tribe, Sitka Convention and Visitor's Bureau, Sitka Economic Development Association, Raven's Way, Allen Marine Tours, Sitka Sound Ocean Adventures, etc.

Can you spare 10—15 minutes of your time to take an online 'Survey Monkey' survey? Please click on the link below to take the survey and let us know what projects or programs you would like to see. If you work or play Outdoors we need YOUR ideas.

- This information is important because a few minutes of your time now will help determine what Outdoor Recreation projects and programs are developed for the next 10 years!
- The survey comments will be used to write the draft Sitka Sustainable Outdoor Recreation Plan, scheduled to be out for review in January of 2011.
- New ideas are most welcome. If you don't see a question that addresses your interest area, use the "Additional Comments" section.
- If you think something is being done well. ..we'd like to hear about that too.
- **August 31st, 2010 is the deadline** for comments.
