**City Staff: Kent Smith, Grounds Maintenance Supervisor**

**March 17, 2026 Minutes approved.**

**Persons to be heard - Kent - The plants are arriving this week. The crew is clearing out space for the plants and have plans for keeping them watered. Been making soil at Kimsham. Need to clear out the Mean Queen planting bed and get new soil in. Will schedule planting for a low/no cruise ship day. Will need to close a lane of traffic for the heavy equipment work.**

**Three grounds Temps are starting soon.**

**Will also be working on replanting the larger planters at Centennial Hall. The existing four fir trees will go in the Mean Queen project.**

**Deb commented on how good the gardens look. Marissa is doing a great job.**

**Marissa and Kent took the Master Gardener class.**

#### **Old Business**

**We had a plant removal project at the Mean Queen location last Sunday. To be used at The White Elephant.**

#### **New Business**

**Work Project - Bridge Approach clearing.**

**Work Project – Centennial Hall new beds.**

**Edible Plum tree starts off Katlian – dig and pot. The plums ripen about September. Thought to be brought here with the Japanese mill employees.**
