Deb – 3

Joe – 1

Barbara – 2

Tom – 1

February's minutes read and approved.

Persons to be heard: Kent, plants will be here sometime in April for MQ garden. T&L can try to save the spirea when the ground is workable. City is very busy and the weather has pushed back certain projects.

Scott explained where the Flume trail was but unfortunately it is not city land.

Old Business; The weather has pushed back our MQ project. Now it looks like mid-April to begin.

New Business; Kent will have soil and compost for the community left over after the MQ project. TBD when.

Next meeting April 21st, 2026.

Adjourn.
