BALLOT PROPOSITIONS

PROPOSITION NO. 1

Shall the City and Borough of Sitka require a public vote before selling, leasing, or disposing of municipal tidelands for the purposes of constructing a marine dock to accommodate vessels of more than two hundred feet in length?

YES
NO

Informational: The vote requirement would not apply to property at Sawmill Cove Industrial Park.

See Ordinance 2004-30: "PURPOSE. Voters wish to have the right to ratify by public vote any sale, disposal, or lease of any tidelands owned by the City and Borough of Sitka when any purpose stated by the person or entity intending to acquire any interest in those tidelands is to construct a marine dock to accommodate vessels in excess of two hundred feet (200') in length."

PROPOSITION NO. 2

Shall the City and Borough of Sitka pass a law that would prohibit smoking in public places and places of employment?

YES
NO

Informational: "Smoking is prohibited within a reasonable distance of 25 feet outside an enclosed area where smoking is prohibited, so as to insure that tobacco smoke does not enter the area through entrances, windows, ventilation systems, or other means."

See Ordinance 2004-37: Chapter 9.20 includes provisions setting out definitions, further applications, prohibitions, areas where smoking is not regulated, posting, enforcement, and violations.

PROPOSITION NO. 3

Shall Article V, Nominations-Elections, of the Charter be amended to (a) increase the period of published notice before an election from the current 30 days to 60 days and (b) change the time frame for submission of nomination papers for candidates for elective office from the current period of between 35 and 90 days before the election to a period of between 60 and 80 days before the election?

YES
NO

Informational: This would allow a longer period of time (60 days) before an election could be held and reduce the number of days to (20 days) where a candidate could file for office.

See Ordinance 2004-38: "PURPOSE. The Municipal Clerk has determined that certain provisions of the Charter relating to the dates for elections and submission of nomination papers are unreasonable and has recommended different deadlines."
