PROPOSITION NO. 1

Shall the City and Borough of Sitka amend Section 6.01 of its Home Rule Charter to remove the requirement for a mandatory special election when at least one-third of voters in the last regular election sign an initiative or referendum petition, and instead allow the Assembly, by ordinance, to determine whether holding a special election is in the best interest of the municipality?

Informational: See Ordinance 2026-13. Under the current Charter, a special election must be held when an initiative or referendum petition is signed by at least one-third of voters in the last regular election. This amendment would remove the mandatory special election requirement. The petition would instead go before voters at the next scheduled regular or special election, unless the Assembly passes an ordinance calling a special election on the matter.
