Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Honorable Mayor and Borough Assembly
City and Borough of Sitka, Alaska

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of City and Borough of Sitka, Alaska, as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise City and Borough of Sitka's basic financial statements and have issued our report thereon dated February 27, 2018. Our report includes a reference to other auditors who audited the financial statements of Sitka Community Hospital, as described in our report on City and Borough of Sitka's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered City and Borough of Sitka's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the basic financial statements, but not for the purpose of expressing an opinion on the effectiveness of City and Borough of Sitka's internal control. Accordingly, we do not express an opinion on the effectiveness of City and Borough of Sitka's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether City and Borough of Sitka's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City and Borough of Sitka's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City and Borough of Sitka's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Federal Program; Report on Internal Control Over Compliance; and Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

Honorable Mayor and Borough Assembly
City and Borough of Sitka, Alaska

Report on Compliance for Each Major Federal Program

We have audited City and Borough of Sitka's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of City and Borough of Sitka's major federal programs for the year ended June 30, 2017. City and Borough of Sitka's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

City and Borough of Sitka's basic financial statements include the operations of its component unit, the Sitka School District which received \$2,102,836 of federal awards which is not included in the Schedule of Expenditures of Federal Awards for the year ended June 30, 2017. Our audit, described below, did not include the operations of Sitka School District because it was subjected to a separate audit in accordance with the Uniform Guidance.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of City and Borough of Sitka's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about City and Borough of Sitka's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of City and Borough of Sitka's compliance.

Opinion on Each Major Federal Program

In our opinion, City and Borough of Sitka complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of City and Borough of Sitka is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered City and Borough of Sitka's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of City and Borough of Sitka's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of City and Borough of Sitka as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise City and Borough of Sitka's basic financial statements. We issued our report thereon dated February 27, 2018 which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

Independent Auditor's Report on Compliance for Each Major State Program; Report on Internal Control Over Compliance; and Report on the Schedule of State Financial Assistance Required by the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*

Honorable Mayor and Borough Assembly
City and Borough of Sitka, Alaska

Report on Compliance for Each Major State Program

We have audited City and Borough of Sitka's compliance with the types of compliance requirements described in the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits* that could have a direct and material effect on each of City and Borough of Sitka's major state programs for the year ended June 30, 2017. City and Borough of Sitka's major state programs are identified in the accompanying Schedule of State Financial Assistance.

City and Borough of Sitka's basic financial statements include the operations of its component unit, the Sitka School District which received \$15,606,771 of state awards which is not included in the Schedule of State Financial Assistance for the year ended June 30, 2017. Our audit, described below, did not include the operations of Sitka School District because it was subjected to a separate audit in accordance with the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its state programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of City and Borough of Sitka's major state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*. Those standards and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about City and Borough of Sitka's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major state program. However, our audit does not provide a legal determination of City and Borough of Sitka's compliance.

Opinion on Each Major State Program

In our opinion, City and Borough of Sitka complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of City and Borough of Sitka is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered City and Borough of Sitka's internal control over compliance with the types of requirements that could have a direct and material effect on each major state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major state program and to test and report on internal control over compliance in accordance with the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of City and Borough of Sitka's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of State Financial Assistance Required by the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of City and Borough of Sitka as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise City and Borough of Sitka's basic financial statements. We issued our report thereon dated March 30, 2017 which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of State Financial Assistance is presented for purposes of additional analysis as required by the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits* and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of State Financial Assistance is fairly stated in all material respects, in relation to the basic financial statements as a whole.

Notes to the Schedule of Expenditures of Federal Awards and the Schedule of State Financial Assistance Year Ended June 30, 2017

1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards and the Schedule of State Financial Assistance (the "Schedules") includes the federal and state grant activity of City and Borough of Sitka, Alaska under programs of the federal and state government for the year ended June 30, 2017. The information in these schedules is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*. Because the Schedules presents only a selected portion of the operations of the City and Borough of Sitka, it is not intended to and does not present the financial position, changes in net position or cash flows of City and Borough of Sitka.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedules are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the schedule, if any, represent adjustments or credits made in the normal course of business to amount reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available.

3. Indirect Cost Rate

The City and Borough of Sitka has elected to not use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

4. PERS On-Behalf

The City and Borough of Sitka has recorded \$495,834 in PERS On-Behalf payments in the Schedule of State Financial Assistance. This represents the PERS relief payment appropriated and transferred into the plan during FY2017.

In the governmental fund financial statements, on-behalf revenue and expenditures have been recognized in the year appropriated and transferred to the plan. However, in the full accrual financial statements, GASB 68 provisions prescribe that on-behalf pension contributions in a special funding situation may only be recognized during the measurement period in which the plan recognizes the contributions, effectively creating a one-year timing difference between the cash contribution and revenue and expense recognition by the City and Borough.

As a result of these perspective and timing differences, amounts reported in the financial statements do not agree to the amounts reported on the Schedule of State Financial Assistance.

Summary Schedule of Prior Year Audit Findings Year Ended June 30, 2017

Finding 2016-001 - Capital Asset Activity and Related Debt

Prior year finding: Material adjustments for both governmental and business-type activities were required to correctly report the closure of capital project activity, capital assets and related debt activity for capital-related loans.

Current year status: This item was resolved in FY2017. The implementation of new reconciliation processes in addition to the hiring of a Controller ensured that any accounting errors were identified and corrected prior to the audit.
