Mobile Food Unit – Guidance Sheet

Mobile food units are popular in Alaska. As they are kitchens on wheels, they must have the essentials to prepare and serve food safely. These guidelines are to help you understand what is needed to qualify for a Non-Motorized Food Cart (NMFC) permit which is required to operate on municipal streets and sidewalks. The yearly permit is valid for the period from May 1st of each calendar year through April 30th of the following year. The cost of the permit is \$25.00 and expires on the date indicated. The NMFC permit or any rights or privileges, may not be transferred. Signing the permit application acts as an acknowledgement that the entity or applicant agrees to be bound by all terms and conditions and provisions as set forth in SGC 6.16.015 and such additional terms and conditions as may be set forth in this permit.

A Non-Motorized Food Cart also known as a “mobile food unit” is defined as a pushcart that is designed so foods are served from the exterior of the pushcart. Generally, the push carts will be three feet by six feet in size and capable of easily being moved with one or two people. The pushcart operates out of an approved commissary and that has a menu that is usually restricted to service of a specific food.

Mobile food unit basic requirements are as follows:

- A completed CBS application for non-motorized food cart permit
- DEC Food Establishment Permit
- DEC approved Commissary Letter
- Proof of a current State of Alaska business license is required.
- Proof of a current State of Alaska food handling permit is required.
- Approved DEC Commissary Letter of Agreement.
- Approved DEC Food Establishment Permit or Approved DEC Temporary Food Service Permit.
- Proof of a commercial general liability insurance policy with a minimum one million dollar combined single limit that names the City and Borough of Sitka as an additional insured party shall be provided.
- Submit a detailed listing of the routes proposed to be utilized each day for approval.
- Hand sink – a sink dedicated for handwashing only.
- Trash can – minimum 32 gallons
- Must remain in compliance with sales tax and all other local tax laws in order to retain their permits.

DEFINITIONS:

Commissary means a permitted food establishment where support services are provided to one or more caterers, vending machines, mobile food units, or temporary food establishments; these support services may include:

1. Food preparation, handling, packaging, or storage.
2. Storage of utensils, including single-service items, or supplies.
3. Washing, rinsing, and sanitizing of equipment and utensils.
4. Storage of a mobile food unit when the unit is not in use.
5. Cleaning of a mobile food unit.
6. Supplying potable water or dumping wastewater.

Mobile Food Unit or Pushcart means a wheeled, non-motorized mobile food unit, manually movable by one or two persons that:

1. Is no more than three (3) feet wide and six (6) feet long.
2. Is capable of easily moving daily.
3. Operates out of a commissary.
4. Has a menu restricted to service of department approved specific foods.
5. Contains on or within the cart sufficient food, utensils, paper products, cleaning supplies, potable water supply, and wastewater holding capacity necessary for operating daily; and
6. May use two additional ice chests placed immediately adjacent to the street pushcart.

Mobile Food Units

In addition to the other requirements, the operator of a pushcart shall ensure:

1. The name of the food cart and the permit number as printed on the permit are provided on the main customer service side of the pushcart, in at least three-inch-high letters and numbers.
2. Sufficient food, utensils, paper products, cleaning supplies necessary for daily operations are contained on or within the cart, except the operator of the pushcart may provide two additional ice chests.
3. A pushcart is limited to preparing and serving ready-to-eat foods.
4. A two-foot by four-foot folding table.
5. Pre-preparation of food, including washing, slicing, peeling, cutting, and assembly, occurs at the commissary.
6. Pushcarts shall return each day to an approved commissary for cleaning the unit, equipment, utensils, and restocking food and supplies.
7. Ice chests shall be drained, washed, and rinsed after each day's operation.
8. Shall provide approved and adequate hand washing, this shall include, at a minimum:
 - a) A container with a minimum capacity of five gallons, equipped with a faucet-type spigot, and filled with water.
 - b) A container to catch wastewater from hand washing; and
 - c) Soap and single-service towels.

General Regulations:

1. On non-street closure days signs, coolers, tents may not impact the flow of pedestrian traffic on municipal sidewalks.
2. Pushcarts may only operate in pre-approved areas and may not vend within 50 feet of an intersection.
3. The vender will operate only at locations and routes as approved on the detailed listing of routes and locations as submitted with the permit application. Locations are first come first use. If another vender sets up operation in the approved location which is not listed on their detailed routes listing, the second vender will be required to cease operations.
4. Permits must be obtained in person by the registered owner of the business.
5. The vender must make an appointment with the Sitka PD Multi-Service Officer for an inspection of the pushcart identified on the permit application. The pushcart must be present at the police department for the inspection.
6. Violations of these rules and SGC 6.16.015 can result in fines, revocation or termination of the permit. Violations will result in fines per SGC 9.12.015.

Review Special Rules for Lincoln Street Closure – Attached

Review Frequently Asked Questions (FAQ) - Attached

SPECIAL RULES DURING LINCOLN STREET CLOSURE

1. Only the designated area may be used for on-street vending during closures.
 - a. Individual vending spaces will be designated via paint demarcations on the sidewalk curb and numbered 1-14. Each space is a 10' x 10' area. Operations including storage of supplies or equipment will not be allowed outside of the designated spaces.
 - b. Vending spaces are available to permittees on a first come, first served basis.
 - c. Permittees are limited to use of 1 vending space.
2. Carts must not be on the street prior to 9:00 AM on closure days. Any vehicles utilized to transport the cart or supplies must be out of the closure area prior to 9:30 AM.
3. Vending activity must cease upon street reopening. Carts must be removed from the street within 30 minutes of street reopening.
4. On-street vending is not allowed outside of the closure hours or closure area.
5. Lincoln Street will be closed to vehicular traffic on days with 5,000 or more cruise passengers from 10AM to 4PM. No parking begins at 9AM on closure days.
6. Closure dates can be viewed at the following link:
<https://www.cityofsitka.com/departments/PlanningCommunityDevelopment>
7. Equipment is limited to the permitted cart, a trash can, and two coolers no larger than 110 quarts each for food and/or beverage storage.
 - a. Permittees may utilize a tent no larger than 10' x 10' in size. Tents may not have signage, banners, or other objects hanging from them. Tents must be appropriately weighed down to prevent tipping or movement due to wind; ropes or any other tools/equipment used to secure the tent may not extend beyond the vending space or present a tripping hazard. May have one table no larger than 2' x 4' in size.
 - b. Any signage must be affixed to the cart. If a sign is affixed to the cart, it shall not have flashing or strobing lights. Changing message signs where the message changes more frequently than every three minutes is also prohibited.
 - c. While unlikely, there is a possibility that emergency services may need to bring response vehicles or equipment into the closure area. All equipment should be of a size and weight that can be moved quickly to make space for emergency services.
 - d. Any generator(s) utilized must not exceed sound output of 60 decibels per the manufacturer's specifications and should be kept in good working order to maintain the 60 decibel or lower sound output. Vendors utilizing generators shall space themselves as far as is practicable from other vendors not utilizing generators to reduce noise pollution.
8. No music or voice amplification can be utilized.
9. No distribution of handbills, flyers, or leaflets is allowed.
10. All permit holders must provide trash receptacles (minimum size 32 gallons) and keep the area within a 20-foot radius of the vending space free of food debris or any other waste generated as a result of vending activities. Violations will result in fines per SGC 9.12.015.
 - a. If there is waste in the vicinity of the cart for prolonged periods (1 hour or more) or left behind after the cart is removed, a \$100 fine will be charged to the permittee for a first-time offense. Further offenses will be fined \$250 per offense. Multiple offenses may result in permit revocation.
 - b. Permit holders are responsible for disposing of waste appropriately daily. Waste shall not be disposed of in municipal trash cans on streets, sidewalks, at the harbors, or other at other such municipal sites; waste should be disposed at the transfer station or in a garbage container provided by the municipality's solid waste contractor and associated with the permittees solid waste utility service. Improper waste disposal will be subject to fines per SGC 9.08.030 and may result in permit revocation.

11. Closure dates are subject to change. It is the responsibility of permit holders to keep abreast of the closure schedule.
12. Closure times are subject to change as the season progresses. If changed, these operating rules will be updated to reflect the new hours and permittees will be provided with the updated operating rules.
13. On-street vending will not be allowed on July 4, Independence Day. Venders must apply through the Sitka Historical Society to participate in 4th of July activities.
14. All permit holders are expected to conduct business in a way that is respectful to other permit holders, downtown businesses and organizations, street closure support staff, and pedestrians. Reports of aggressive, confrontational, or unreasonably disruptive behavior and/or sales tactics will be grounds for permit revocation.
15. If there are any changes to the operating rules, permit holders will be contacted to review and sign the most up to date Special Rules. A signed copy of the most up-to-date Special Rules must be on file with the Sitka Police Department to retain the permit.
16. Those with an approved Non-Motorized Food Cart Permit must operate in the designated area during street closures subject to the operating rules as defined in this document; the designated area is the west-bound parking lane of Lincoln Street between the crosswalk and the Katlian intersection in the vending areas marked 1-14, depicted below.
17. A 10' x 10' operating footprint shall be the maximum vending space per permittee. Spaces are not exclusive or guaranteed to any permittee; spaces are available on a first come, first served basis.

By signing below, I confirm that I have read, understood, and agree to follow the 2023 Special Rules During Lincoln Street Closure. I understand that failure to follow the operating rules will result in revocation of my Non-Motorized Food Cart Permit. Failure to sign will result in permit revocation or denial.
