

CITY AND BOROUGH OF SITKA

A COAST GUARD CITY

2022 Short-Term Tourism Plan **Bathroom Incentive Grant**

In light of the unprecedented number of cruise ship visitors expected to visit Sitka in the summer of 2022, the City and Borough of Sitka (CBS) has adopted Sitka's Short-Term Tourism Plan which addresses CBS actions needed in the areas of passenger dispersion, transportation, traffic, and infrastructure impacts. Increasing the availability of bathrooms in the downtown corridor is an important component of the plan.

Funding has been budgeted to incentivize and compensate existing entities in the downtown corridor to open their toilet facilities to cruise passengers during the 2022 summer cruise ship season. Grant amounts will start at \$1,000 per approved application. Additional amounts may be granted depending upon how many applicants are accepted. Successful grant applications will receive a one-time payment at the beginning of the season. Visit Sitka will publicize the locations of bathrooms with maps, social media, websites, signage, and at information kiosks.
