

TREE AND LANDSCAPE COMMITTEE

May 10, 2023 Meeting Minutes

Final

Members present and hours: Deb 18, Liz 4, Joe 4, Lisa 4

Assembly: JJ Carlson

March 2023 Minutes approved.

There was no meeting in April.

Persons to be heard

Bridget was supposed to attend to discuss planting around the playground. The city says OK. The bathroom project will not happen. We need to come up with a planting plan.

Old Business

T-Shirts – Discussed options. Lisa will work on a custom printed fabric that could be use for a sign and put on T shirts.

New Business

Future projects – Create a schedule

HCH – The area we worked on has a few dandelions coming up. Should take about an hour to work. Next project.

Sunday, May 14 – 10:00

High School – Connor Dunlap said to wait - Deb saw him working there.

Venneberg planting – two dead shrubs need to come out. Will do this on Sunday.

Pioneers of Alaska are keeping up with the perennial bed at the bridge approach.

Follow up on the White E planting in April – they are watering them. Deb was reimbursed. The plants are doing well.

We will work on other projects as they come up.

Membership – Elias has not been in communication at all and has not attended a meeting since October. Nolan responds but has not been to a meeting since February. We want to have a 5 member committee so the quorum is three. Deb will contact Jess to see what we need to do.

Change meeting time to 5:30 to accommodate Liz's schedule. Approved.

Next Meeting

Wednesday, June 14 at 5:30 pm, in person at HCH.

Respectfully submitted by Lisa Moore
