Old Business

-- Continue Centennial parking lot weeding this Saturday (7/16) 8 am – Crescent Harbor parking lot.

--Roundabout

DOT presentation at the last Assembly meeting and Rebecca Hemshoot brought up the roundabout. Elias has a contact with DOT and will check with them to see who we should talk with at DOT about weeding and improvements. For safety, any work should be done after tourist season, so there won't be the big busses driving on the roundabout apron.

New Business

Playground planting—Bridget Hitchcock's group will have funding for plants and would like for us to do it.

We need more information to figure out landscaping plan, schedule, purchasing of plants, post planting care, etc.

Will discuss again at August meeting.

Next Meeting

Wednesday, August 10th at 5pm, in person at the library.
