Old Business

Multiple Weeding parties were held throughout the summer at Centennial and the Firehall.

DOT – Elias will inquire about who to speak with about doing some touch up on the landscaping in the main roundabout. We are primarily interested in removing the alders and maybe installing the meadow mix. Is there any funding available to help with the landscaping?

New Business

Baranof Elementary planting was removed and asphalted over without consulting our group. Elias will follow up with Jill the principle there.

We will look at improving the landscaping at Baranof Elementary next year.

We need to know who the new assembly liaison is.

Meeting frequency change: Deb proposed next meeting to be in January. We only have to meet quarterly. Approved.
