

2.04.186 Telephonic participation by the public. [Revised 6/22](#)

A. Any member(s) of the public may request to provide comment by telephone on any agenda item or “persons to be heard” which allows for public participation under Section 2.04.130(A). To participate by telephone, the person shall provide the municipal clerk with a telephone contact number and indicate which agenda item(s) they wish to provide comment on by five p.m. on the Monday before the Tuesday regular meeting, and at least twenty-four hours before any special or emergency assembly meeting, when such notice is reasonably practicable. The municipal clerk will call that phone number during the public participation section on the agenda item or during “persons to be heard.” If the person is not available at the time of public comment for the item, the presiding officer will move to the next person. A person participating by telephone must be able to hear and engage in discussion and be audible to all persons participating in the meeting.

B. Any member(s) of the public who participates by telephone shall not be charged for any costs associated with telephonic participation.

C. Public participation rules and enforcement in Section 2.04.130 apply to members of the public participating by telephone.
