

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

City and Borough of Sitka, Alaska

FERC Project No. 2818

NOTICE OF INTENT TO FILE APPLICATION FOR
SUBSEQUENT LICENSE

Pursuant to 18 C.F.R. § 5.5, the City and Borough of Sitka Alaska hereby notifies the Federal Energy Regulatory Commission of its intention to file an Application for a Subsequent License for the Green Lake Hydroelectric Project, FERC Project No. 2818.

The following information is provided consistent with the requirements of 18 C.F.R. § 5.5 (b).

Licensees' Name and Address:

City and Borough of Sitka Alaska
100 Lincoln St., 3rd Floor
Sitka, AK 99835

Project Number:

The FERC Project No. is P-2818.

License Expiration Date:

March 31, 2029

Statement of Intent:

The City and Borough of Sitka Alaska intends to file an application for a subsequent license for the Green Lake Hydroelectric Project (Project) utilizing the Commission's Integrated Licensing Process (ILP).

Type of Principal Project Works to be Licensed:

The Project consists of: (1) a concrete arch dam with a crest length of 461.6-feet and height above foundation of 228.4 feet; (2) an ungated 100-foot wide overflow spillway cast into the left side of the arch with a crest elevation of 395 feet; (3) a 1,000-acre impoundment (reservoir) with a usable storage capacity of 70,500 acre-feet; (4) a power intake located 141 feet below the dam crest to the right of the spillway; (5) a 1,900-foot

long, 9-foot diameter, reinforced concrete-lined power tunnel, which bifurcates into two steel-lined penstocks that convey water to the powerhouse; (6) a reinforced concrete powerhouse measuring 78-feet long by 48- feet wide situated at the southeast end of Silver Bay that houses two 9.27-MW turbine-generator units; and (7) approximately 8 miles of transmission line that follows the Green Lake access road to an interconnection at the Blue Lake powerhouse and substation.

Location of the Project:

The Project is located in the state of Alaska, on Baranof Island, within the City and Borough of Sitka, on the Vodopad River.

The installed capacity of the project is: 18.54 MW

Names and Mailing Addresses of Entities Listed in 18 C.F.R. § 5.5(b)(8):

(a) The County in which the Project is located, and in which any Federal Facility that is used or to be used by the Project is located:

| | |
|--------------|---|
| County Name: | City and Borough of Sitka |
| Address: | City and Borough of Sitka Alaska 100 Lincoln St., 3 rd Floor Sitka, AK 99835 |

The Project does not occupy or use any Federal facilities.

(b) Each city or town in which any part of the Project is located, and in which any Federal facility that is used or to be used by the Project is located.

| | |
|-----------------|---|
| City/Town Name: | City and Borough of Sitka |
| Address: | City and Borough of Sitka Alaska 100 Lincoln St., 3 rd Floor Sitka, AK 99835 |

The Project does not occupy or use any Federal facilities.

(c) Each city or town that has a population of 5,000 or more people and is located within 15 miles of the existing Project dams:

The City and Borough of Sitka has a population of 8,458 (based on the 2020 census). The main population center (the City of Sitka) is located about 10 miles northwest of the Project. No other cities or towns with a population of 5,000 or more people are located within 15 miles of the existing Project dam.

- (d) Each irrigation district, drainage district, or similar special purpose political subdivision in which any part of the Project is located, and in which any Federal facility that is used or to be used by the Project is located.**

The Project is not located within any irrigation districts, drainage districts, or similar special purpose political subdivisions. The Project does not occupy or use any Federal facilities.

- (e) Each irrigation district, drainage district, or similar special purpose political subdivision that owns, operates, maintains, or uses any Project facility or any Federal facility that is or is proposed to be used by the Project.**

No irrigation districts, drainage districts, or similar special purpose political subdivisions own, operate, maintain, or use any project facilities. The Project does not occupy or use any Federal facilities.

- (f) Every other political subdivision in the general area of the Project that there is reason to believe would likely be interested in, or affected by, this notification.**

There are no other political subdivisions in the general area of the Project that there is reason to believe would be likely to be interested in, or affected by, this notification.

- (g) Affected Indian Tribes.**
