City and Borough of Sitka

100 Lincoln Street Sitka, Alaska 99835

Coast Guard City, USA

March 3, 2017

Mayor, Assembly Members, and Fellow Citizens of the City and Borough of Sitka

Dear Mayor and Assembly Members,

In accordance with the provisions of Article XI, Section 11.02 of the Home Rule Charter of the City and Borough of Sitka, the Fiscal Year 2018 Consolidated Operating Budget of the City and Borough of Sitka and Sitka Community Hospital are hereby presented for your approval.

We are pleased to submit a FY2018 budget to you that continues to provide for all essential government services, although we will implement reductions in the scope and/or frequency of service. In October 2016, Sitkans decisively voted down a ballot initiative to increase property taxes. Without this property tax increase CBS' ability to maintain service levels has been impacted.

Traditional revenue streams flowing from both the Federal Government and the State Legislature continue to decline. As a result, Sitka, as are most other Alaska communities, is wrestling with the difficult challenge of how to balance the level of services offered to its citizens with the local ability and desire to pay for them. Not enough revenue is available to pay for all services traditionally offered; accordingly, service reductions will need to occur. Choosing which services to curtail is a challenge. All reductions meet some level of community resistance. Staff look for every possible way to continue services through innovate ideas, reorganization, and out-sourcing. In the end, though, we will concentrate on maintaining essential and critical services, such as emergency response, public safety and critical infrastructure.

Going forward into FY2018, the Municipality has reduced its operating budget by an additional \$762,968, including the elimination of one full-time police officer position, which follows on the elimination of four and one half full-time positions from the Municipal work force in FY2017. In addition, temporary employees in the Public Works Department involved in capital project construction management will be eliminated in FY2018. All discretionary costs, such as training, supplies, and contracted services have been reduced. Travel and training has been reduced by over \$35,000, a 13.5% decrease. The FY2018 budget no longer funds a lobbyist, for a \$40,000 savings.

The budget includes no increase in the property tax millage rate or the sales tax rates. The budget does include an anticipated \$800,000 of new sales tax revenue stemming from an increase in the taxable transaction limit from \$3,000 to \$12,000.

Providing for today ... preparing for tomorrow

Our budget does propose service fee increases in our harbors, electric, water and wastewater utilities. We have adopted a policy of considering annual user fee increases that are in line with long range fiscal plans. Our fiscal plans span a decade, at a minimum, and model the necessary increases in user fees required to finance needed infrastructure renovation while maintaining minimum levels of liquidity and financial stability. If such increases are unachievable due to the state of the local economy, we will propose annual user fee increases consistent with the annual rate of inflation.

In order to meet minimum financial covenants without subsidization, we are proposing an electric fee increase in late FY2017. The fee increase will be approximately 15% for the average user and should provide necessary revenue to meet financial covenants without subsidization. To mitigate the impact of this large fee increase on the least affluent Sitkans, the Assembly also has set aside \$1,000,000 to assist needy Sitkans with their utility bills. How much of this will be allocated for this purpose and the implementation mechanism have yet to be determined. Other fee increases that are contained in the FY2018 budget are a 3% fee increases in water, a 4.5% fee increase in wastewater, a 2.07% fee increase in solid waste and a 6% increase in harbor moorage rates.

The FY2018 budget contains no significant expenditure other than programmatic spending increases due to collective bargaining agreements. Federal revenue sources, upon which the Municipality has relied on in the past, continue to be uncertain. At the time of this writing, there is no renewal of the Secure Rural Schools Act by the Federal Government for Federal fiscal year 2018. We are budgeting \$566,200 in payments in lieu of taxes (PILT) from the Federal Government. While we consider the likelihood of receiving this support, it is not guaranteed.

State of Alaska revenue sources will continue to be pressured in FY2018. While there has not been any new legislation passed in the current Legislative session affecting State revenue streams, many potential sources of State revenue, or expenditures made to the State, are being considered. These include reductions in revenue sharing, income tax, shared fisheries business taxes, reimbursements for general obligation school debt and an increase in the contribution rates for public employee retirement systems.

The financial pressures faced by the Sitka School District (SSD) are severe and will have a direct impact on the Municipality. Much as with the Municipality, SSD has expenditure increases which are linked to collective bargaining agreements. With over 70% of the total expenditures of the SSD being in the form of wages and benefits, these expenditure pressures, coupled with decreasing revenue streams, will cause the district to adopt an unbalanced, deficit budget for FY2018, transferring significant funds from enterprise funds. Such budgetary solutions are clearly not sustainable.

Municipal roads remain a critical infrastructure issue. We will, once again, not be able to afford all street repairs which are scheduled and necessary for FY2018. Furthermore, the amount of funding to be dedicated towards road repair will be substantially less than the amount dedicated in FY2017. Sitka is heading down a path wherein, eventually, only roads with sidewalks and gutters will be paved; all others will be returned to gravel. While such a direction will allow the

Municipality to forego the capital costs of repaving roads, the maintenance costs for grading and dust control on gravel roads is substantially higher in the short run. Further, as witnessed by numerous failures this past year, much of under street water and sewer infrastructure is very poor condition.

Municipal employee wages will increase in accordance with collective bargaining agreements, and, non-represented employees will receive a 1.5% wage increase. We do, however, anticipate a substantial increase in health insurance premiums which may necessitate some changes in the overall portion of health insurance costs shared by employees.

In summary, our municipal budget continues to adequately provide for basic and special services to our residents and visitors. Public safety needs are provided for, as well as public works and the provision of basic utilities and the operation of public harbors. We will continue to provide for the other governmental services that our citizens desire, including our municipal library and Centennial building. While some service levels will be reduced, no major municipal service areas are planned to be eliminated.

Capital Improvement Program

The 2018-2020 Capital Improvement Program has been developed to address the pressing infrastructure and service needs of our community. Maximum effort has been made to identify Federal and State sources of revenue in order to finance these projects. Individual capital improvement projects have already been described in detail in many of the previous discussions of individual departments/funds. Detailed information concerning the Capital Improvements Program is contained within a separate section of this Consolidated Operating Budget.

This year we have again constructed a separate budget for each individual capital improvement project. These budgets clearly show the amount, and source, of all of the working capital to be expended in each project including grant revenue, loan proceeds, transfers from the General Fund or Proprietary Funds, or expenditures of reserve working capital in each fund (from previous years grant advances or transfers from other funds).

The 2018-2020 Capital Improvement Program is shown in its entirety at the Capital Improvements Tab, and, individual projects for each fund are shown in the respective capital sections for that fund.

Future Outlook

The key challenge facing the CBS continues to be the alignment of governmental services provided by the Municipality to its citizens with sustainable revenue streams to not only pay for such services, but also, to provide for the repair, maintenance and eventual replacement of the infrastructure associated with such services.

The current level of municipal services (CBS, Hospital, Sitka School District), are not sustainable. Insufficient funding exists on an ongoing basis to repair and maintain aging infrastructure, especially roads. Traditional sources of revenue from Federal and State of Alaska sources are drying up while programmatic expenses, such as wages and benefits, continue to increase.

Citizens have been vocal about the combination of declining service levels coupled with the increasing cost of living in Sitka. A growing number of our citizens are feeling economically stressed, but this does not obviate the requirement to maintain our core services.

Critical issues identified in prior outlooks continue to represent our challenges. We must obtain an alignment of CBS services and citizen expectations which is then supported by sustainable budgets.

We remain optimistic about our Sitka. We are a can do community that takes on adversity with vigor. Cruise ship tourism continues to rebound, commercial fishing remains a strong and vibrant, and health care and Coast Guard activities also continue to contribute to a diversified economy.

Summary

Our municipal government continues to provide a comprehensive array of services to its citizens through the collective efforts of dedicated, and talented municipally employees. The financial condition of the Municipality remains in good shape, with a solid level of combined reserve working capital. We will strive to continue to provide the best possible service to our citizens and to carefully manage the resources they give us to do the job.

Respectfully Submitted,

Mark Gorman
Municipal Administrator

John P. (Jay) Sweeney III

CITY AND BOROUGH OF SITKA

ORDINANCE NO. 2017-16

**AN ORDINANCE OF THE CITY AND BOROUGH OF SITKA
ADOPTING BUDGETS FOR THE FISCAL YEAR JULY 1, 2017
THROUGH JUNE 30, 2018**

BE IT ENACTED by the Assembly of the City and Borough of Sitka, Alaska as follows:

1. **CLASSIFICATION.** This ordinance is not of a permanent nature and is not intended to be a part of the Sitka General Code of the City and Borough of Sitka, Alaska.
2. **SEVERABILITY.** If any portion of this ordinance or any application thereof to any person or circumstance is held invalid, the remainder of this ordinance and application thereof to any person and circumstances shall not be affected thereby.
3. **PURPOSE.** The purpose of this ordinance is to set forth budgetary requirements for the operation of the various divisions, departments and organizations of the City and Borough of Sitka for Fiscal Year 2018.
4. **ENACTMENT. NOW THEREFORE, BE IT ENACTED** by the Assembly of the City and Borough of Sitka, Alaska that the following expenditure budgets for the fiscal period beginning July 1, 2017 and ending June 30, 2018 are hereby adopted as follows:

<u>FUND</u>	<u>REVENUE</u>	<u>EXPENDITURE BUDGET</u>

EXPLANATION

Details of individual budgets are contained in Enclosure 1. Support to the Sitka School District has been included in the General Fund Expenditures. Budgeted amounts for all funds include revenue, operating expenditures and new capital outlays.

5. EFFECTIVE DATE. This ordinance shall become effective on July 1, 2017.

PASSED, APPROVED, AND ADOPTED by the Assembly of the City and Borough of Sitka, Alaska this 13th day of June, 2017.

Matthew Hunter, Mayor

ATTEST:

Melissa Henshaw, CMC
Acting Municipal Clerk

1st reading 5/23/17
2nd reading 6/13/17

**City and Borough of Sitka
Sitka, Alaska**

MISSION

To assure quality public services that provide for the well-being of the citizens of the City and Borough of Sitka. To provide the best *service, budget management, and planning* for the future of our community.

OVERALL GOALS

- Increase percent of operating budget provided by Permanent Fund earnings.
- Ensure quality of Municipal infrastructure.
- Increase year round employment opportunities.
- Comply with Vision: Small town atmosphere and high quality of life with sustained economic opportunity.

ONGOING PRIORITY ACTION

- Expand Sitka's presence as a regional health care center.
- Provide positive conditions for economic development.
- Implement and fund waterfront and harbor infrastructure.

MUNICIPAL VALUES

· **Accountability** - Accepting responsibility for job performance, actions, and behavior.

· **Commitment** - Individual and collective dedication of employees in providing quality services to meet customer needs.

· **Equal Opportunity** - Providing a work environment that is fair to all employees through equal treatment and equal access.

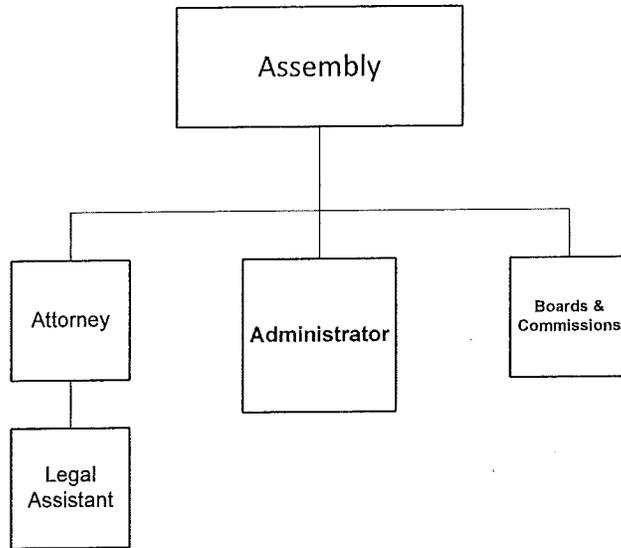

· **Honesty** - Truthful interaction among employees, the Assembly, and the public which fosters trust and a lasting working relationship.

· **Open Communication** - The honest exchange of ideas and information with coworkers, the public, other departments, and the Assembly.

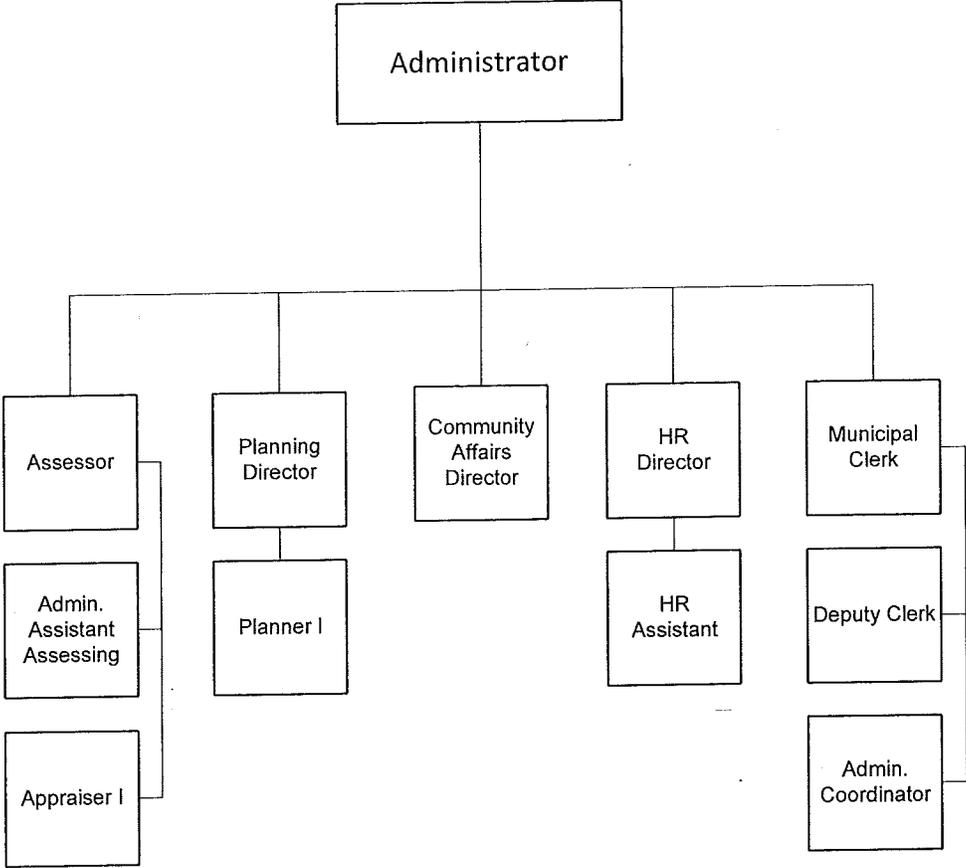

· **Professionalism** - Promoting honesty, respect, and team effort while adhering to a high standard of ethical conduct.

· **Respect** - Consistently demonstrating a deep regard for the needs and feelings of all people.

Combined Fund Totals	\$ 39,206,046	\$ 41,472,455	\$ (3,276,891)	\$ 38,195,564

Notes and Explanation

This table represents undesignated working capital as of June 30, 2016 and as projected on June 30, 2017 and June 30, 2018.

Undesignated working capital is an approximation of how much money, free of previous restrictions, commitments, or other designations (such as for capital projects) that a fund has available to spend.

In 2014, the Assembly to action to designate an amount of cash assets and fund balance in the amount of three months of expenditures to be restricted for liquidity purposes (\$5,748,818) and an additional \$2,000,000 of cash assets and fund balance to be restricted for emergency response.

CITY AND BOROUGH OF SITKA

ORDINANCE NO. 2012-30

AN ORDINANCE OF THE CITY AND BOROUGH OF SITKA, ALASKA ADDING A NEW CHAPTER 4.44 TO THE SITKA GENERAL CODE ESTABLISHING REQUIRED LEVELS OF CASH TO BE MAINTAINED AND A NEW CHAPTER 4.45 TO THE SITKA GENERAL CODE ESTABLISHING A LONG TERM PUBLIC INFRASTRUCTURE SINKING FUND FOR THE OF REPAIR AND REPLACEMENT OF GENERAL FUND MUNICIPAL BUILDINGS, STREETS, SIDEWALKS, PARKING LOTS, AND PARKS

BE IT ENACTED by the Assembly of the City and Borough of Sitka, Alaska as follows:

1. **CLASSIFICATION.** This ordinance is of a permanent nature and is intended to become a part of the Sitka General Code.
2. **SEVERABILITY.** If any provision of this ordinance or any application to any person or circumstance is held invalid, the remainder of this ordinance and application to any person or circumstances shall not be affected.
3. **PURPOSE.** The purposes of this ordinance are to codify requirements to maintain minimum levels of cash within the General Fund, and, to establish a sinking fund for the repair and replacement of General Fund municipal buildings, streets, sidewalks, parking lots, and parks its subsequent use for such restricted purposes.
4. **ENACTMENT.** The Assembly of the City and Borough of Sitka hereby adds Chapter 4.44 and 4.45 to the Sitka General Code.

Chapter 4.44

REQUIRED LEVELS OF CASH TO BE MAINTAINED IN THE GENERAL FUND

* * *

4.44.01 Required Levels of Cash On Hand. The General Fund of the City and Borough of Sitka shall be required to maintain a minimum level of cash and cash equivalents in order to provide for adequate cash flow management and liquidity for the Municipality.

A. The minimum level of cash and cash equivalents to be maintained shall be equal to the total of all budgeted expenditure for the General Fund for the current fiscal year, divided by 4. Transfers from the General Fund balance shall not be considered expenditure for the purposes of this calculation.

B. For purposes of this Chapter, cash and cash equivalents shall be defined as cash held in demand deposits, overnight repurchase agreements as defined by SGC 4.28.060 4, money market mutual funds as defined by SGC 4.28.060 5, certificates of deposit as defined by SGC 4.28.060 2, and local government investment pools per SGC 4.28.060 6.

4.44.02 Restriction of General Fund Balance. A portion of the General Fund balance equal to the total of all budgeted expenditures for the General Fund for the current fiscal year, divided by 4, (transfers from the General Fund balance shall not be considered expenditure for the purposes of this calculation), shall be restricted as to its use in order to provide for required liquidity of the Municipality and not available for appropriation without a super majority of the Assembly voting in approval. An additional amount of \$2,000,000 shall be restricted as to its use in order to provide funds for responding to an emergency and not available for appropriation without a super majority of the Assembly voting in approval.

Chapter 4.45

LONG TERM INFRASTRUCTURE SINKING FUND FOR THE REPAIR AND REPLACEMENT OF GENERAL FUND MUNICIPAL BUILDINGS, STREETS, SIDEWALKS, PARKING LOTS, AND PARKS

* * *

4.45.01 Establishment of the Public Infrastructure Sinking Fund. There shall hereby be created, within the fund structure of the City and Borough of Sitka, a sinking fund for the repair and replacement of General Fund municipal buildings, streets, sidewalks, parking lots, and parks to be hereafter called the Public Infrastructure Sinking Fund.

4.45.02 Determination of the Required Balance of the Public Infrastructure Sinking Fund. Within 90 days after the start of each fiscal year, the Administrator shall prepare an analysis of the General Fund Balance with an accompanying recommendation as to an amount of the General Fund Balance available for potential transfer to the Public Infrastructure Sinking Fund. This analysis shall first take into account any portions of the General Fund restricted by Section 4.44 of the Sitka General Code before recommending any further amounts for potential transfer to the Public Infrastructure Sinking Fund.

4.45.03 Assembly Action. Within 60 days after presentation of the annual analysis by the Administrator, the amount determined by the Administrator shall automatically be transferred to the Public Infrastructure Sinking Fund, unless a super majority of the Assembly votes to change the recommended amount.

4.45.04 Use of the Sinking Fund. The Assembly shall annually appropriate an amount from the Public Infrastructure Sinking Fund to be used exclusively for the repair and replacement of General Fund municipal buildings, streets, sidewalks, parking lots, and parks as recommended by the Administrator in his annual budget.

4.45.05 Emergency Transfer of the Sinking Fund. The Assembly shall have the authority to transfer any portion of the Public Infrastructure Sinking Fund to the General Fund in the case of an emergency threatening public health, safety, or welfare which requires use of public funds. Such a transfer shall require an approval of a super majority of the Assembly.

EFFECTIVE DATE. This ordinance shall become effective the day after the date of passage.

PASSED, APPROVED, AND ADOPTED by the Assembly of the City and Borough of Sitka, Alaska this 9th day of October, 2012.

Cheryl Westover, Mayor

ATTEST:

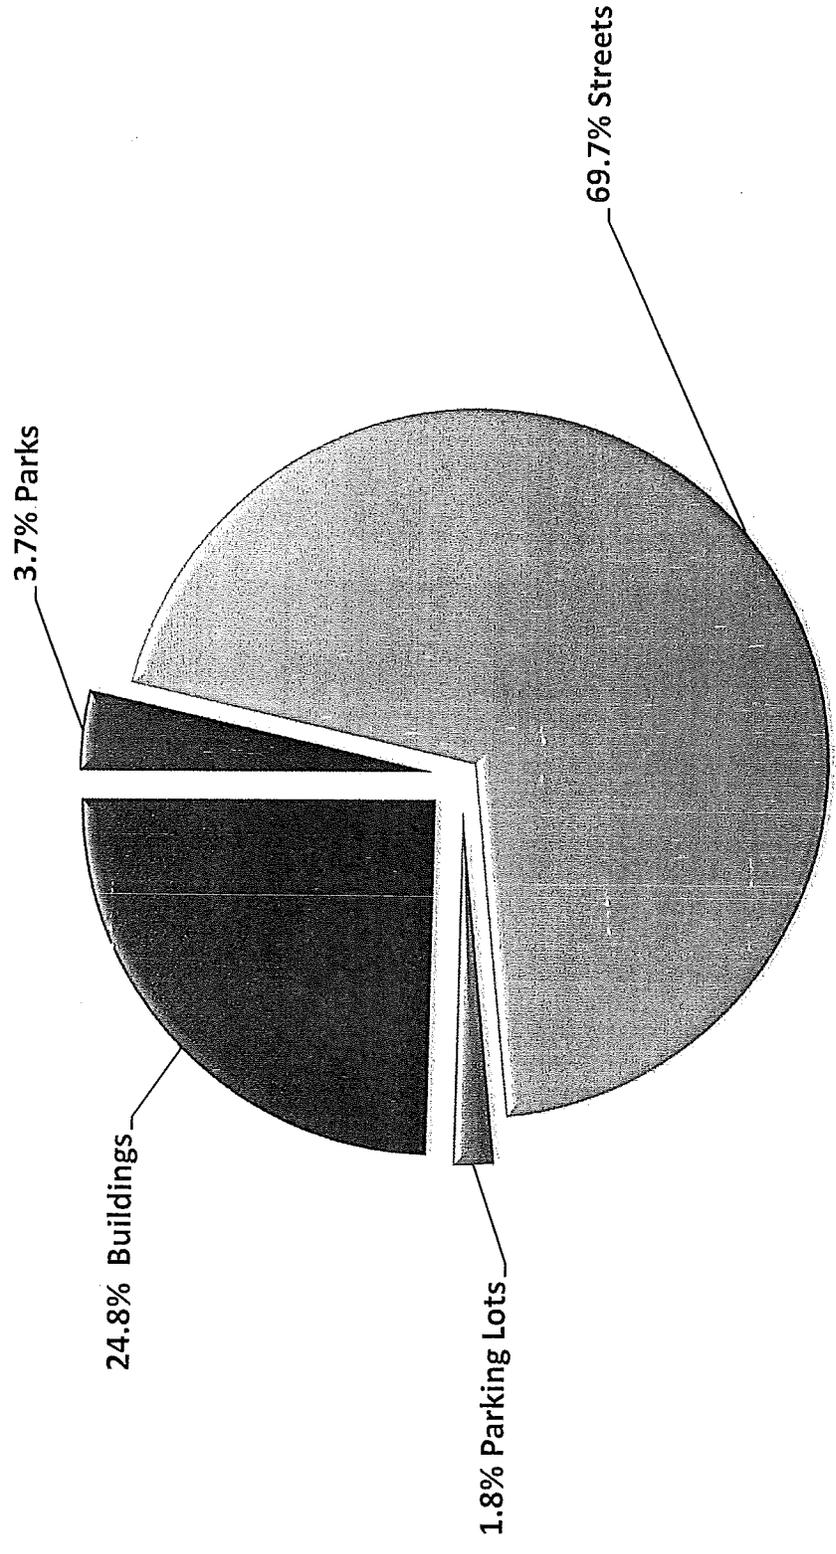

Colleen Ingman, MMC
Municipal Clerk

Sitka Community Hospital

FY18 Budget Presentation

Our Mission

Restore, maintain, and improve the health of those in our community through competent and compassionate delivery of care.

Sitka Community Hospital – FY18 Budget

Who We Are

Sitka Community Hospital (“the Hospital”) is a municipal general hospital governed by a Board of Directors appointed by the Assembly of the City and Borough of Sitka. The Hospital provides acute inpatient and outpatient, long-term care and other community healthcare services. The Hospital is licensed for 12 acute care beds which includes one nursery bed and 15 long-term care beds.

The Hospital is considered to be a component unit of the City and Borough and is designated by Medicare as a Critical Access Hospital (“CAH”) which provides for cost based reimbursement from Medicare – a favorable reimbursement methodology that was part of the 1997 Balanced Budget Act to stem the closure of small, rural hospitals that were suffering under the prospective payment system that had been introduced by Medicare.

As is the case with most CAH’s, more than half of the Hospital’s revenue is generated by outpatient services. In fact, Outpatient Revenue is 63% of Gross Patient Revenue in the FY18 budget with the remainder split fairly evenly between Inpatient and Long-term Care.

The hospital’s two largest payors are Medicare and Medicaid. In FY17, 56.3% of the Hospital’s gross revenue was for Care/Caid beneficiaries, followed by Blue Cross with 19.5%, all other insurances combined at 21.8% and Self Pay at 2.4%.

The Hospital is developing strategic and operating improvement plans. Such efforts will drive efficiencies and effectiveness into the organization which will ultimately increase revenues, decrease costs, and increase patient/customer/employee satisfaction. It’s the perfect embodiment of the hospital mission to:

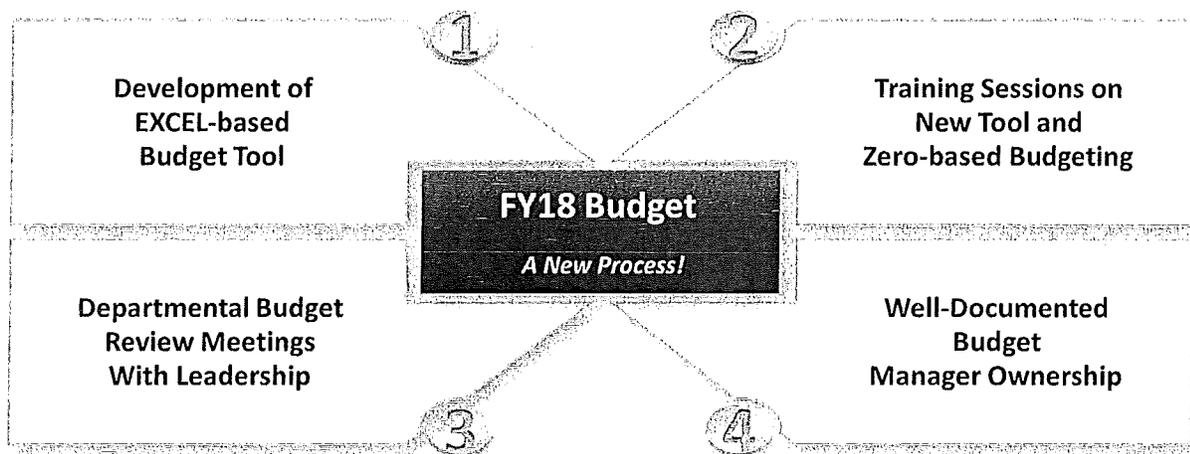

Restore, maintain, and improve the health of those in our community through competent and compassionate delivery of care.

Sitka Community Hospital – FY17 Budget

The Budget Process – Our Approach

The budget we are presenting for approval came to fruition through the collective efforts of many within the organization and across all levels. During this year's budget process we implemented a new budget tool and a zero-based budgeting approach that included training for department managers, budget review meetings and increased senior leadership involvement in the review and approval process. The process produced discussions that were thoughtful, energetic and determined and a well-documented budget.

Sitka Community Hospital – FY18 Budget

Where We are Going – The Operating Budget at a Glance

For FY18, we have budgeted a positive bottom line of \$367,051. This plan produces approximately \$1,132,000 in cash for use in reducing debt, acquiring capital and building cash reserves.

	FY15 Actual	FY16 Actual	FY17 Budget	FY17 Projection	FY18 Budget	\$ Variance	% Variance
Total Operating Revenue	\$ 28,691,225	\$ 25,396,142	\$ 24,582,171	\$ 26,354,742	\$ 26,926,375	\$ 571,633	2.2%

**\$400k total with \$200k expended in FY17

Sitka Community Hospital – FY18 Budget

Budget Assumptions – Revenues

The following provides an outline of the major assumptions used in developing the FY18 budget:

Operational Changes

- Labor and Delivery is budgeted through the end of the first quarter of fiscal '18 (September 30, 2017). Volumes for that period are based upon delivery schedule known at budget time. Staffing for that period is based on the recommendations by the Nurse O.B. Coordinator using Traveler O.B. nurses to meet the quality and safety measures contained in those recommendations. Administration is recommending that labor and delivery services be phased out at the end of the first quarter.
- Surgical Services is budgeted full time through September, 2017 and half time after October 1st. Administration is recommending this service line be reviewed as part of the Strategic, Financial, and Organizational Assessment project.

All Patient Revenue Categories

- Overall price increase of 10% was included in the budget.

Inpatient Revenue

- Inpatient revenue is budgeted for \$5,856,000 in FY18 which is flat when compared to the projected revenue for FY17 of \$5,835,000. Patient days were budgeted to increase 13.5% in FY18 due to resolved process issues with admissions planning which was identified in FY16. As a conservative measure, we did not increase volumes in ancillary departments which would typically increase with increases in IP volume.
- The increase in patients days, coupled with a 10% price increase resulted in increased revenue in the Acute Care and Swing Bed departments totaling \$494,000 and in other departments of \$254,000. These positive variances were offset by decreases due to the operational changes in Labor/Deliver (-\$216,000) and Surgery (-178,000) outlined above which also result in a decrease of professional fee revenue in the clinic (-334,000).

Sitka Community Hospital – FY18 Budget

Budget Assumptions – Revenues

The following provides an outline of the major assumptions used in developing the FY18 budget:

Outpatient Revenue

- Total Outpatient Revenue is budgeted for \$20,922,000 which is 15.2% or \$2,760,684 higher than the FY17 projection.
- Clinic volumes are projected to increase 16.7% over FY17 projections.
- Price increase of 10%
- FY17 projected volumes are lower than anticipated due to provider vacancies during the year.
- FY18 volumes were developed specific to physician staffing and productivity measures of visits per day *and assumed increased efficiencies gained through the additional of the clinic modular unit requested as an amendment to the FY17 capital budget.*
- As a conservative measure, we did not increase related hospital volumes such as outpatient lab and radiology.

Long-term Care

- Long-term Care Revenue is budgeted for \$6,257,000 which is 25% or \$1,253,000 higher than the FY17 projection.
- FY18 budget assumes 14 residents.
- Price increase of 10%
- Budgeted volume is an increase of 1.8 over the FY17 YTD census as of January 31, 2017.
- Current census is 14.
- Enhanced admissions/referral process implemented in FY17.

Other and Non-operating Revenue

- Zero-based or used FY17 projection where appropriate.

Sitka Community Hospital – FY18 Budget

Budget Assumptions – Deductions from Revenue – Contractual Adjustments

Deductions from Revenue represent the amount of gross revenue that we do not collect from insurance companies and patients.

Contractual Adjustments

Contractual adjustments are the amounts that we charge for services that are not reimbursed by insurance companies or other payors such as Medicare or Medicaid.

- For FY18, contractual adjustments have been budgeted at \$4,738,000 or 14.3% of Gross Patient Revenue. This is higher than the 9.3% budgeted in FY17 as price increases are absorbed into contractual adjustments for those payors like Medicare and Medicaid who pay fixed amounts regardless of price. This is also higher than the 5.1% projection for FY17 as the projection does not reflect a mid-year Medicare rate change that took place recently and which will be retro-active to the beginning of the fiscal year.
- Using our own historical experience, we determined a % for each major category of payors and adjusted for the impact of our price increases and known changes to payment rates from our third party payors such as Medicare/Medicaid.
 - These percentages were applied to the FY18 gross revenue budget assuming the same payor mix in FY18 as we have trended in FY17.
 - In addition to the contractals generated from the analysis outlined above which includes mid-year rate changes to Medicare, we also included an additional \$400,000 in contractals for possible Medicaid rate cuts and potential commercial insurance adjustments related to our price increases.

Sitka Community Hospital – FY18 Budget

Budget Assumptions – Deductions from Revenue – Bad Debt & Charity

Bad Debt

Bad debt represents the amounts that we write-off because a patient is unwilling to pay their balance - as opposed to being “unable” to pay which we classify as Charity.

Bad Debt Expense is budgeted at \$1,736,000 in FY18 which is 5.3% of Gross Revenue. While this percentage is equal to the FY17 percentage, expense is increasing \$212,000 in FY18 due to the increase in Gross Revenue. FY17 Bad Debt Expense has been substantially higher than budget (the projection is \$1,524,000 vs. budget of \$320,000) due to increased aging of the accounts receivable, increased administrative adjustments and a slight decrease in recoveries.

Charity and Other

Charity care represents the amounts that we write-off for services rendered to patients who meet our charity care guidelines and demonstrate that through an application and approval process.

Charity care has been budgeted at \$66,000 which is \$57,000 higher than the projection of \$9,600 but more in line with FY17 Budget and FY16 actual.

***Total Deductions from Revenue are budgeted at 19.8% of Gross Revenue in FY18.
This means that, on average, we write off \$19.80 of every \$100.00 we charge.
This percentage was 10.8% in FY17 largely due to the bad debt assumption based on FY16 actual.***

Sitka Community Hospital – FY18 Budget

Budget Assumptions – Expenses

Salaries and Benefits

Salaries and Benefits represent 67% of total expenses. As a result, a significant amount of budget review time focused on both the amount of staffing and compensation levels.

Major Assumptions :

▪ \$225,000 for wage increases. Related benefits - \$67,000.

▪ Staffing complement budgeted with 0.0% vacancy rate.

▪ Health Insurance

17.5% increase or \$444,000 of additional expense

Additional expense partial reduced by increase to employee withholding – from 10% to 15%. This reduces the impact of the increase by approximately \$165,000.

Sitka Community Hospital – FY18 Budget

Budget Assumptions – Expenses

Supplies

- 5% inflation for medical related supplies.

Depreciation and Amortization

- Projection based on current assets with assumption for capital additions

Utilities

- Electricity includes 15% increase which is approximately \$25,000 over FY17 expense.
- Internet expense includes a \$200,000 increase which is driven primarily by a possible decrease of federal funding (7.5%) for rural internet service provided through USAC. We have also budgeted to double band-width to support other initiatives such as telehealth.

Business Insurance

- Assumed 5.0% increase

Purchased Services

- Includes HRG, WayneBrandt, Pharmacy, Lab, Grants consulting, etc.

Professional Fees

- ER Physicians
- Anesthesia

All Other Expenses

- Zero-based or FY17 projection where appropriate

**City and Borough of Sitka
FY18 Consolidated Operating Budget**

**Summary of Significant Accounting
and Budget Policies**

Significant Accounting Policies

Accounting for the financial activities of the City and Borough of Sitka is performed in accordance with Governmental Accounting and Financial Reporting Standards, as promulgated by the Governmental Accounting Standards Board (GASB), and applicable Federal and State of Alaska guidelines.

Specific accounting policies having an impact on this budget include the following:

Depreciation - Depreciation is recorded on the straight line basis for all fixed assets and useful lives used to calculate depreciation expense conform, as much as possible, to industry standards.

Inventories - Inventories of maintenance supplies and materials are accounted for under the periodic method on a first in - first out (FIFO) basis. Inventories of maintenance supplies and materials are expensed when consumed.

Bad Debt Expense - Bad debt expense is accounted for under the direct write off method.

Investments in Debt Securities - All investments in debt securities are considered to be held until maturity and are carried at historical cost. Investments are marked to market on a monthly basis separate from the accounting system and market value is reported to management monthly. Premiums and discounts on the purchase of debt securities are amortized on the effective interest methods.

Compensated Employee Absences - Compensated employee absences (annual leave) is expensed as accrued.

Grants - Grants from Federal Government Agencies are accounted for as revenue to the appropriate fund (normally a Capital Project Fund).

Capital Project Funds - All capital construction projects in excess of \$50,000 are normally accounted for in separate Capital Project Funds. Due to increased control initiated in FY97 some projects less than \$50,000 will be accounted for in Capital Projects Funds. For proprietary funds, capital construction is accounted for in separate capital project funds for internal management purposes only; and the end of the fiscal year, all proprietary fund capital projects are closed back to the parent fund through adjusting journal entries. Uncompleted projects are shown as construction in progress and grant revenue for capital construction is accounted for as grant revenue.

Fixed Assets - For accounting purposes the minimum level for fixed assets is set at \$5,000 and for infrastructure is set at \$10,000.

City and Borough of Sitka FY18 Consolidated Operating Budget

Summary of Significant Accounting And Budgeting Policies (cont.)

Significant Budgeting Policies

Specific budgeting policies having an impact on this budget include the following:

Budgeting Basis - Budgeting is on a cash inflow / cash outlay basis. As the financial operations of proprietary funds are required to be accounted for under the accrual accounting basis, budgeting in these funds is for outlays (expenditures), not for expenses. So that the user may relate expenditure authority to its effect on the financial condition of such funds, pro forma financial statements showing the estimated financial effect of the authorized spending are also provided. Accrual accounting information is, where necessary, adjusted to a cash basis in order to provide management with consistent budget execution information.

Operating and Capital Budgets - Authorized expenditures for all funds are divided into separate and distinct capital and operating budgets. Capital budgets include authorized expenditures for acquisitions of fixed assets, minor construction projects, acquisitions of and improvements to land, and direct transfers of equity to capital project funds and other funds (in particular, internal service funds). All other authorized expenditures are contained within operating budgets.

Lapsing of Appropriations and Reappropriations of Capital Expenditures - All unencumbered operating budget appropriations lapse at the end of the fiscal year (June 30th). Capital expenditures do not lapse; however, for internal management purposes, capital appropriations are also assumed to lapse at the end of the fiscal year. Capital expenditures which carry forward to future years are reappropriated and are clearly shown as such in the budget. Amounts shown are estimates only. Actual remaining appropriations are reappropriated.

Revenues - For budgeting purposes, revenues for proprietary funds are assumed to be received in cash although, under accrual accounting rules, some revenues are recorded prior to the actual receipt of cash. These revenues include interest receivable, amortization's of discounts on investment securities, and utility fees billed but not yet received. The effect of these non-cash revenues is not considered to be significant enough to be material.

Internal Budget Redistributions - The Municipal Administrator has the authority to redistribute appropriations between accounts within specific Divisions of the General Fund, within Enterprise Funds and within Internal Service Funds. Authorized expenditures may not be redistributed between operating and capital budgets. Redistributions between certain Divisions of the General Fund, between different Funds or between operating and capital budgets of the same Fund, must be approved by the City and Borough of Sitka Assembly.

Internally Funded Capital Projects - Capital projects in excess of \$50,000 are normally accounted for in separate Capital Project Funds. Due to increased control initiated in FY97 some projects less than \$50,000 will be accounted for in Capital Project Funds. If such projects are funded through grants, donations, or revenue generated by the project, such revenues are accounted for directly under the Capital Project Fund. If a project is funded through the transfer of equity from the General Fund or a Proprietary Fund, the transfer is budgeted as *Interfund Transfers or Advances to Other Funds* under the General Fund or Proprietary Fund, and an *Advances From Other Funds* under the Capital Project Fund. For proprietary funds, capital construction is accounted for in separate capital project funds for internal management purposes only; and the end of the fiscal year, all proprietary fund capital projects are closed back to the parent fund through adjusting journal entries. Thus, if projected expenditures for Capital Project Funds lag behind expected levels, actual amounts of year-end working capital may exceed projected levels.

Fixed Assets - For budgeting purposes the minimum level for fixed assets is set at \$5,000 and for infrastructure is set at \$10,000.
