# Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Honorable Mayor and Borough Assembly City and Borough of Sitka, Alaska Sitka, Alaska

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City and Borough of Sitka, Alaska, (the City and Borough) as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the City and Borough's basic financial statements, and have issued our report thereon dated February 8, 2022.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City and Borough's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City and Borough's internal control. Accordingly, we do not express an opinion on the effectiveness of the City and Borough's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City and Borough's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Federal Program; Report on Internal Control Over Compliance; and Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

Honorable Mayor and Borough Assembly City and Borough of Sitka, Alaska Sitka, Alaska

#### Report on Compliance

#### Opinion on Compliance for Each Major Federal Program

We have audited City and Borough of Sitka's (the City and Borough) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the City and Borough's major federal programs for the year ended June 30, 2021. The City and Borough's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the City and Borough complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

The City and Borough's basic financial statements include the operations of its component unit, the Sitka School District (the School District) which expended \$2,928,908 in federal awards, which are not included in the City and Borough's schedule of federal awards during the year ended June 30, 2021. Our audit, described below, did not include the operations of the School District because it engaged other auditors to perform an audit of compliance.

#### **Basis for Opinion**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City and Borough and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of the City and Borough's compliance with the types of compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the City and Borough's federal programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the types of compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the City and Borough's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the types of compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the City and Borough's compliance with the requirements of the federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the City and Borough's compliance with the types of compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the City and Borough's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the City and Borough's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City and Borough as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the City and Borough's basic financial statements. We issued our report thereon dated February 8, 2022, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinion on the financial statements that collectively comprise the basic financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

Independent Auditor's Report on Compliance for Each Major State Program; Report on Internal Control Over Compliance; and Report on the Schedule of State Financial Assistance Required by the State of Alaska Audit Guide and Compliance Supplement for State Single Audits

Honorable Mayor and Borough Assembly City and Borough of Sitka, Alaska Sitka, Alaska

#### Report on Compliance

#### Opinion on Compliance for Each Major State Program

We have audited City and Borough of Sitka's (the City and Borough) compliance with the types of compliance requirements described in the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits* that could have a direct and material effect on each of the City and Borough's major state programs for the year ended June 30, 2021. The City and Borough's major state programs are identified in the accompanying Schedule of State Financial Assistance.

The City and Borough's basic financial statements include the operations of its component unit, the Sitka School District (the School District) which expended \$15,178,312 of state awards which is not included in the Schedule of State Financial Assistance for the year ended June 30, 2021. Our audit, described below, did not include the operations of the School District because it was subjected to a separate audit in accordance with the State of Alaska Audit Guide and Compliance Supplement for State Single Audits.

In our opinion, the City and Borough complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended June 30, 2021.

#### **Basis for Opinion**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*. Our responsibilities under those standards and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits* are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City and Borough and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of the City and Borough's compliance with the types of compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, state statutes, regulations, and the terms and conditions of its state awards applicable to its state programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the types of compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the City and Borough's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, Government Auditing Standards, and the State of Alaska Audit Guide and Compliance Supplement for State Single Audits will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the types of compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the City and Borough's compliance with the requirements of the state program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the State of Alaska Audit Guide and Compliance Supplement for State Single Audits, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the City and Borough's compliance with the types of compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the City and Borough's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the State of Alaska Audit Guide and Compliance Supplement for State Single Audits, but not for the purpose of expressing an opinion on the effectiveness of the City and Borough's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*. Accordingly, this report is not suitable for any other purpose.

# Report on Schedule of State Financial Assistance required by the State of Alaska Audit Guide and Compliance Supplement for State Single Audits

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City and Borough as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the City and Borough's basic financial statements. We issued our report thereon dated February 8, 2022, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements as a whole. The accompanying schedule of state financial assistance is presented for purposes of additional analysis as required by the State of Alaska Audit Guide and Compliance Supplement for State Single Audits and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of state financial assistances is fairly stated in all material respects in relation to the financial statements as a whole.

#### Notes to the Schedule of Expenditures of Federal Awards Year Ended June 30, 2021

#### 1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of City and Borough of Sitka, Alaska (the City and Borough) under programs of the federal government for the year ended June 30, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the City and Borough, it is not intended to and does not present the financial position, changes in net position or cash flows of the City and Borough.

#### 2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule, if any, represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available.

#### 3. Indirect Cost Rate

The City and Borough has elected to not use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

#### 4. Assistance Listing Number 97.036

The City and Borough reported the Disaster Grants - Public Assistance (Presidentially Declared Disasters) expenditures of \$106,094 on the Schedule for the year ended June 30, 2021, which were associated with prior year expenditures.

## Schedule of State Financial Assistance Year Ended June 30, 2021

See accompanying notes to the Schedule of State Financial Assistance.

#### Notes to the Schedule of State Financial Assistance Year Ended June 30, 2021

#### 1. Major Program Notation

\* Denotes a major program.

#### 2. Basis of Presentation

The accompanying Schedule of State Financial Assistance (the "Schedule") includes the state award activity of City and Borough of Sitka, Alaska (the City and Borough) under programs of the State of Alaska for the year ended June 30, 2021. The information in this Schedule is presented in accordance with the requirements of the State of Alaska Audit Guide and Compliance Supplement for State Single Audits. Because the Schedule presents only a selected portion of the operations of the City and Borough, they are not intended to and do not present the financial position, changes in net position or cash flows of the City and Borough.

#### 3. Summary of Significant Accounting Policies

Expenditures reported on the Schedules are reported on the modified accrual basis of accounting. Negative amounts shown on the Schedule, if any, represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

#### 4. PERS On-Behalf

The City and Borough has recorded \$945,933 in PERS on-behalf payments in the Schedule of State Financial Assistance. This represents the PERS relief payment appropriated and transferred into the plan during FY 2021.

In the governmental fund financial statements, on-behalf revenue and expenditures have been recognized in the year appropriated and transferred to the plan. However, in the full accrual financial statements, GASB 68 provisions prescribe that on-behalf pension contributions in a special funding situation may only be recognized during the measurement period in which the plan recognizes the contributions, effectively creating a one-year timing difference between the cash contribution and revenue and expense recognition by the City and Borough.

As a result of these perspective and timing differences, amounts reported in the financial statements do not agree to the amounts reported on the Schedule of State Financial Assistance.

#### 5. Commercial Passenger Vessel Tax - State Assistance

Cash receipts for commercial passenger vessel tax have been recorded as revenue in the Commercial Passenger Excise Tax Special Revenue Fund on an accrual basis. Any unspent portion of these funds is reported as restricted fund balance in the fund financial statements. At June 30, 2021, the cumulative unspent vessel tax receipts were \$1,634,526. Total vessel tax funds expended in 2021 were \$91,200 and expenditures reported on the Schedule of State Financial Assistance were \$615,545.

## Schedule of Findings and Questioned Costs

Year Ended June 30, 2021

#### Section I - Summary of Auditor's Results Financial Statements Type of report the auditor issued on whether the financial statements audited were prepared in accordance with GAAP: Unmodified Internal control over financial reporting: Material weakness(es) identified? X yes no State Financial Assistance Type of auditor's report issued on compliance for major state programs: Unmodified Internal control over major state programs: Material weakness(es) identified? yes Significant deficiency(ies) identified? X (none reported) yes Dollar threshold used to determine a state major program: 150,000

#### Schedule of Findings and Questioned Costs, continued Year Ended June 30, 2021

#### Section II - Financial Statement Findings Required to be Reported in Accordance with Government Auditing Standards

There were no findings required to be reported in accordance with *Government Auditing Standards*.

#### Section III - Federal Award Findings and Questioned Costs

There were no findings and questioned costs for federal awards (as defined in section 2 CFR 200.516(a)) that are required to be reported.

#### **Section IV - State Award Findings and Questioned Costs**

There were no findings and questioned costs for State of Alaska awards (as defined in the State of Alaska Audit Guide and Compliance Supplement for State Single Audits) that are required to be reported.
